AWARD ON AGREED TERMS

Claimants, THE GENERAL TIRE & RUBBER COMPANY, GENERAL TIRE INTERNATIONAL COMPANY, GENERAL INTERNATIONAL INCORPORATED and THE GENERAL TIRE REALTY COMPANY filed on 19 November 1981 a claim against IRAN TIRE MANUFACTURING (PUBLIC JOINT STOCK) COMPANY (formerly The General Tire & Rubber Company of Iran) et al. Iran Tire Manufacturing Company filed on 24 May 1982 a Statement of Defence to this claim and a counterclaim against the Claimants and the United States of America. None of the other entities indicated as Respondents in the Statement of Claim has submitted any written or oral statements in the case. For this reason Iran Tire Manufacturing Company is deemed to be the only Respondent in this case.

On 19 August 1983 the Claimants, and Iran Tire Manufacturing Company filed a Joint Request for an Arbitral Award on agreed terms and a Settlement Agreement dated the same day. The Joint Request and the Settlement Agreement were both executed by the Claimants (in the Settlement Agreement referred to collectively as "General Tire"), the Government of the Islamic Republic of Iran and Iran Manufacturing Company. Copies of the Joint Request and the Settlement Agreement are annexed hereto.

The Settlement Agreement provides for certain reciprocal obligations by the Parties, including payment of the sum of US \$2,420,000 to "General Tire". This provision must be deemed to mean that the Claimants shall be paid jointly the total sum of US \$2,420,000. The Agreement further provides, inter alia, that out of this amount US \$2,300,000 shall be "payable forthwith upon the recording by the Tribunal of this settlement in the form of an arbitral award on agreed terms" and that the remaining amount, US \$120,000, shall be paid upon receipt by the Registrar of the Tribunal of a bank guaranty as provided in Article 1 (B) (2) of the Settlement Agreement. This latter condition has been fulfilled.

The Settlement Agreement also provides that payment of the settlement amount "shall terminate the proceedings in Case 136 and shall constitute complete and final settlement of all claims and counterclaims now existing or capable of arising in connection with Case 136". In view of this provision, the counterclaim asserted by Respondent Iran Tire Manufacturing Company against the United States of America must be deemed to have been withdrawn. The United States of America has in a submission of 30 August 1983 withdrawn its claims for costs in connection with the counterclaim.

The Tribunal accepts the Settlement Agreement in accordance with Article 34 of the Tribunal Rules.

Based on the foregoing:

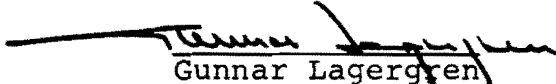

The Settlement Agreement is hereby recorded as an Award on agreed terms, binding upon the Parties. Consequently, the Respondent, IRAN TIRE MANUFACTURING COMPANY, is obligated to pay the Claimants, THE GENERAL TIRE & RUBBER COMPANY, GENERAL TIRE INTERNATIONAL COMPANY, GENERAL INTERNATIONAL INCORPORATED, and THE GENERAL TIRE REALTY COMPANY, jointly the total amount of Two Million Four Hundred and Twenty Thousand United States Dollars (US \$2,420,000), which obligation shall be satisfied by payment out of the Security Account established pursuant to paragraph 7 of the Declaration of the Government of the Democratic and Popular Republic of Algeria dated 19 January 1981.

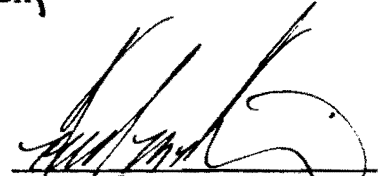

Since the counterclaim against the United States of America has been withdrawn, the arbitral proceedings with regard to it are terminated.

This Award is hereby submitted to the President of the Tribunal for notification to the Escrow Agent.

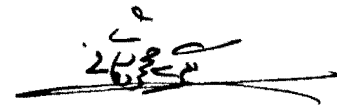

Dated, The Hague

Dissenting Opinion

I agree with the Chairman in accepting and recording of the Settlement Agreement as an award on agreed terms but I dissent as to the remaining part of this Award not only because that part unilaterally condemns one of the parties to the performance of its obligations and ignores the reciprocal obligations of the other party but it also provides for an enforcement procedure, which a judge is barred from after deciding the dispute or accepting and recording the settlement according to Article 34 of the UNCITRAL Rules.

IN THE NAME OF GOD

SETTLEMENT AGREEMENT

This Agreement is made this 19/4 day of August 1983 between the Claimants and Respondents in Case No. 136 before the Iran-United States Claims Tribunal ("Tribunal") which case is hereinafter called "Case 136" and which parties include but are not limited to The General Tire & Rubber Company, General Tire International Company, General International Incorporated, and General Tire Realty Company (hereinafter collectively called "General Tire"), on the one hand, and Iran Tire Manufacturing Company (Public Joint Stock), (formerly known as The General Tire and Rubber Company of Iran and hereinafter called "Iran Tire"), on the other hand.

WHEREAS, General Tire has filed Case 136 with the Tribunal and Respondents have filed defenses thereto and various counterclaims; and

WHEREAS, the parties to this Agreement wish amicably to settle the above claims filed with the Tribunal;

THEREFORE, the parties to this Agreement agree to settle Case 136 in exchange for the consideration, and under the terms and conditions set forth below.

ARTICLE 1 - PAYMENT

A. In full and final settlement of all claims and counterclaims in Case 136, General Tire shall be paid the amount of Two Million Four Hundred and Twenty Thousand United States Dollars and No Cents

mw
TER

(US \$ 2,420,000) (the "Settlement Amount").

B. The Settlement Amount shall be paid to General Tire in two parts as follows:

- 1) Two Million Three Hundred Thousand United States Dollars and No Cents (US \$ 2,300,000) payable forthwith upon the recording by the Tribunal of this settlement in the form of an arbitral award on agreed terms;
- 2) One Hundred Twenty Thousand United States Dollars and No Cents (US \$ 120,000) upon receipt by the Registrar of the Tribunal of a bank guaranty issued by Nederlandse Credietbank N.V., established in Amsterdam and represented by its branch at Lange Vijverberg 16, 2513 AC 's-Gravenhage, The Netherlands, in the aforesaid amount in favor of Iran Tire in form and substance substantially as set forth on Attachment A hereto providing Iran Tire with security for General Tire's undertaking to ship to Iran those items set forth at Schedule 4, paragraph B) of General Tire's Statement of Claim, ^{and further described in Attachment C hereto,} it being agreed that the said bank guaranty shall be delivered by the Registrar to the Agent of the Government of the Islamic Republic of Iran to the Tribunal forthwith upon notification of the award in Case 136 by the President of the Tribunal to the Central Bank of Algeria.

C. By no later than August 22, 1983 the parties shall submit to the Tribunal a joint request, pursuant to Article 34 of the Tribunal's Rules, that the Tribunal record this Agreement as an arbitral award on agreed terms, and that the Tribunal order payment of the Settlement Amount to General Tire from the Security Account. Such joint request shall be in the form of Attachment B hereto.

D. Iran Tire and other Respondents in Case 136 shall pay to Bank Markazi

Iran the Rial equivalent of the Settlement Amount and will obtain Bank Markazi's approval for the payment thereof to be made to General Tire out of the Security Account. Submission of this Settlement Agreement by the Agent of the Government of the Islamic Republic of Iran to the Tribunal means that such approval has been obtained.

- E. Iran Tire and other Respondents in Case 136 confirm that all applicable Iranian taxes have been deducted from the payment and fees at issue in this case. Should there be any taxes imposed on the Settlement Amount by the Government of the Islamic Republic of Iran, Iran Tire shall be responsible therefor. Should there be any taxes imposed on the Settlement Amount in countries other than Iran, by virtue of doing business in such countries, General Tire shall be responsible therefor.

ARTICLE 2 - RELEASE AND TERMINATION OF PROCEEDING

- A. Payment of the Settlement Amount to General Tire shall terminate the proceedings in Case 136 and shall constitute complete and final settlement of all claims and counterclaims now existing or capable of arising in connection with Case 136.
- B. Upon full and final payment of the Settlement Amount to General Tire, Claimants and Respondents shall, for themselves and their subsidiaries and affiliates (and for the successors and assigns of themselves and their subsidiaries and affiliates) by this Agreement, release and forever discharge each other and their subsidiaries, affiliates, directors, officers, and employees (and the successors and assigns of each other and their subsidiaries, affiliates, directors, officers, and employees) from any and all liability that they ever had, now have, or hereafter may have by reason of any past dealings, or that is capable of arising out of the share ownership, contracts, trans-

actions, or occurrences that are the subject of Case 136, or from any claim that may be pending in any court or forum. Accordingly, Claimants and Respondents agree that each of them shall, within 30 days of full and final payment of the Settlement Amount to General Tire, cause all other claims filed by either of them against the other in any court or forum to be terminated.

- C. Upon full and final payment of the Settlement Amount to General Tire, General Tire, shall, for itself and its subsidiaries and affiliates (and for the successors and assigns of itself and its subsidiaries and affiliates) by this Agreement release and forever discharge all Respondents in Case 136 and their agencies, instrumentalities, subsidiaries, and affiliates from all liability that they ever had, now have, or hereafter may have that arises or is capable of arising out of the contracts, transactions, or occurrences that are the subject of Case 136.
- D. As to any past dealings, should any claim be pending or be filed by a third party in any court or forum against any of the parties hereto based on any assignment or transfer of rights of any kind from one of the parties hereto, the party who has effected or caused such assignment or transfer of rights shall be exclusively liable to such third party.
- E. Upon full and final payment of the Settlement Amount to General Tire, all title, rights, and interest of General Tire and any of its officers, directors, and employees to the 184,320 shares in Iran Tire, including property rights, rights of ownership, dividends not received by General Tire (declared or undeclared), and any and all other rights or interest acquired by General Tire in any manner whatever, shall be transferred to the Government of the Islamic

m

Republic of Iran so as to represent the total divestment of General Tire's rights and interest in Iran Tire. Accordingly, General Tire is obliged to cause the stock certificates representing the 184,320 shares in Iran Tire to be returned, duly endorsed and signed together with a stock power in favor of the Government of the Islamic Republic of Iran for recording transfer of the shares in the Iran Tire Share Transfer Register, to Iran Tire within 30 days of full and final payment of the Settlement Amount to General Tire, and Iran Tire is entitled to take all necessary actions to record such transfer. In case such stock certificates are not returned to Iran Tire within said 30 days, all such certificates shall be cancelled, null, and void, and Iran Tire will be entitled to issue new certificates in their stead.

- F. The releases set forth in this Agreement and the transfer of shares hereunder are self-executing upon the full and final payment of the Settlement Amount to General Tire. No further documents, therefore, need to be executed in this regard.
- G. Upon full and final payment of the Settlement Amount to General Tire, Claimants and Respondents waive any and all claims for costs, including attorney's fees, arising out of or related to the arbitration or prosecution of the claims or counterclaims asserted (or which might have been asserted) before the Tribunal or elsewhere with respect to Case 136 or any claim of Claimants or Respondents against each other.
- H. This Agreement, including the releases set forth in this Agreement, covers only Case 136 and does not apply to the subject matter of any other proceeding in the Tribunal.
- I. It is acknowledged and agreed that upon termination of the proceedings in Case 136 pursuant to this Settlement Agreement, all of the

releases provided for in this Article 2 shall extend to and be binding upon the Government of the Islamic Republic of Iran, and its political subdivisions, agencies, instrumentalities and controlled entities. It is acknowledged and agreed that upon termination of the proceedings in Case 136 pursuant to this Settlement Agreement, General Tire shall have no claim whatsoever against the Government of Islamic Republic of Iran, and its political subdivisions, agencies, instrumentalities and controlled entities.

ARTICLE 3 - OTHER MATTERS

Upon full and final payment of the Settlement Amount to General Tire, the Technical Service Agreement and the Trademark License referred to in Case 136 and any other agreement or arrangement between Iran Tire and General Tire or any of General Tire's subsidiaries or affiliates, including any termination consequences thereof, will be terminated, if and to the extent not previously terminated. Iran Tire, however, shall have the full use, without further payment, of all General Tire technical information, technology, and drawings currently in its possession, for purposes of the production of the same or other products; provided, however, that (i) Iran Tire shall not hereafter use the name, logo, trade name, or trademark General Tire or any other name, trade name, or trademark owned by General Tire; and (ii) Iran Tire shall keep such technical information, technology, and drawings confidential, and shall not disclose them to any competitor of General Tire that has operations outside Iran, and provided further that Iran Tire shall have a grace period of twelve (12) months to complete the removal of General Tire trade names from its tires. Such removal shall be accomplished with all deliberate speed and tires bearing the General Tire trade name shall be distributed only in Iran and will not be made available for export.

Handwritten signature and initials, including "TER" and "mw".

ARTICLE 4 - VALIDITY

- A. This Agreement is valid only in its entirety. None of the terms of this Agreement may be changed, except by written agreement of the parties.
- B. If the Tribunal does not record within a reasonable period of time this Settlement in the form of an arbitral award on agreed terms, either of the parties may withdraw it, if not otherwise agreed by the parties, and this Agreement shall not prejudice Respondents or Claimants in future proceedings in Case 136.

ARTICLE 5 - CONFIDENTIALITY

- A. Prior to the full and final payment of the Settlement Amount to General Tire, the parties to this Agreement will not divulge the content of this Agreement (except for submission to the Tribunal, pursuant to Article 1 C hereof); or of documents generated solely for purposes of settlement negotiations, in any pending or future proceeding before the Tribunal or elsewhere.
- B. Claimants and Respondents shall not use, or cause any third party to use, this Settlement Agreement in the prosecution or defense of any other case before the Tribunal or any other court or forum.
- C. Claimants and Respondents agree to treat this Agreement as confidential and to give copies only to those persons within the Government of the Islamic Republic of Iran and the United States of America and others who have a right of access to such copies and further to request those persons to treat those copies as confidential.
