AWARD ON AGREED TERMS

* See attached list

1. On 28 June 1991 the Agent of the Government of the Islamic Republic of Iran and the Agent of the Government of the United States, pursuant to Article 34 of the Tribunal Rules, submitted a Joint Request for an Arbitral Award on Agreed Terms in Cases Nos. B32, B74, and 12786 through 12892 (the "Joint Request"). Attached to the Joint Request is a Settlement Agreement dated 3 June 1991 between THE UNITED STATES OF AMERICA ("the United States"), on behalf of the Claimant in Case No. B32 and the Respondents in Cases Nos. B74, and 12786 through 12892, and THE GOVERNMENT OF THE ISLAMIC REPUBLIC OF IRAN ("Iran"), on behalf of the Respondent in Case No. B32 and the Claimants in Cases Nos. B74, and 12786 through 12892 (the "Settlement Agreement"). In the Joint Request the Tribunal was requested "to record the Settlement Agreement as an Arbitral Award on Agreed Terms and terminate Cases Nos. B32, B74 and 12786 through 12892 in their entirety and with prejudice". Copies of the Joint Request and the Settlement Agreement are attached hereto and incorporated herein by reference.

2. Article I paragraph 1 of the Settlement Agreement states that

[i]n consideration of full and final settlement of all disputes, differences, claims, counterclaims and matters directly or indirectly raised or capable of arising out of relationships, transactions, contracts and events related to the subject matter of Cases Nos. B32, B74, and 12786 through 12892, the sum of U.S.\$416,000 (Four Hundred Sixteen Thousand Dollars) ("the Settlement Amount") shall be paid to Iran.

It appears from paragraph 2 of the same Article that the Settlement Amount was paid by means of a check delivered by the United States to the Agent of Iran simultaneously with the submission of the Settlement Agreement to the Tribunal. Copies of the check No. 3007 27126346 and the receipt therefor are attached hereto.

3. The Settlement Agreement provides in Article II that

[u]pon the issuance by the Tribunal of the Award on Agreed Terms, the United States and Iran shall cause, without delay and with prejudice, all proceedings in relation to the claims, counter-claims and matters related to Cases Nos. B32, B74, and 12786 through 12892 in all courts, fora, or before any authority or administrative body to be dismissed, withdrawn and terminated, and shall be barred from instituting or continuing any such proceedings before the Tribunal or any other forum, authority or administrative body whatsoever, including but not limited to any court in the United States or Iran.

4. Article III of the Settlement Agreement states, inter alia, that

[i]n consideration of the covenants, premises, and other agreements contained [in the Settlement Agreement], upon the issuance by the Tribunal of the Award on Agreed Terms, the United States and Iran shall release and forever discharge each other, their affiliates, agencies and instrumentalities, from any claims, rights, interests, and obligations, past, present or future, which have been raised, may in the future be raised, or could have been raised in connection with disputes, differences, claims, counterclaims and matters stated in, related to, arising from, or capable of arising from the subject matter of Cases Nos. B32, B74, and 12786 through 12892.

5. Article V of the Settlement Agreement further provides that

it shall not affect any position of the parties in any matters other than Cases Nos. B32, B74, and 12786 through 12892. Particularly, nothing in [the Settlement Agreement], including the releases and waivers set forth in Articles II and III ..., shall constitute or be construed as a waiver of, or release from, or affect in any way any claims raised by Iran and/or Iranian Ministry of Defence in Claims 2 and 3 in Case No. B1 before the Tribunal for the principal amount and interest thereon pursued in said Claims for excess payments and short delivery of services in the Letters of

Offer and Acceptance, including but not limited to the Letters of Offer and Acceptance Nos. DN-IR-TAR-8, IR-TAH-P4, DN-IR-TAL-6, IR-TAI-P5 and DN-IR-TAP-7. Iran, however, undertakes not to seek in Claim 6 of Case No. B1 or in any other claim consequential damages based on its claims for the excess payments and short delivery of services in the Letters of Offer and Acceptance in so far as they constitute the subject matter of Case No. B74.

6. In addition, the Settlement Agreement provides in Article VI that

[u]pon the issuance by the Tribunal of the Award on Agreed Terms, the parties shall waive any and all claims for costs (including attorneys' fees) arising out of or related to the arbitration, prosecution or defense of the claims and counter-claims asserted before the Tribunal, United States courts or elsewhere with respect to matters involved in Cases Nos. B32, B74, and 12786 through 12892.

7. Finally, Article VIII of the Settlement Agreement states that "[f]or the purpose of construction and interpretation of this Settlement Agreement the entire Agreement shall be read and construed as a whole without giving any specific effect to any article or articles separately."

8. Finding the provisions of the Settlement Agreement and the Joint Request in compliance with the conditions for the issuance of an Award on Agreed Terms, the Tribunal accepts the Settlement Agreement in accordance with Article 34 of the Tribunal Rules.

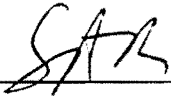

9. Based on the foregoing,

THE TRIBUNAL AWARDS AS FOLLOWS:

The Settlement Agreement is hereby recorded as an Award on Agreed Terms binding on the Parties, each of which is bound to fulfill the conditions set forth in the Settlement Agreement. Each and every one of the Cases

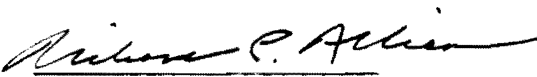

Nos. 12786 through 12892 as listed in the attached list as well as Cases Nos. B32 and B74 are hereby terminated.

SETTLEMENT AGREEMENT

This Settlement Agreement ("the Agreement") is made this 3rd day of June 1991, by and between the Government of the United States of America ("the United States"), on behalf of the Claimant in Case No. B32 and the Respondents in Cases Nos. B74, and 12786 through 12892, and the Government of the Islamic Republic of Iran ("Iran"), on behalf of the Respondents in Case No. B32 and the Claimants in Cases Nos. B74, and 12786 through 12892.

WHEREAS, the United States and Iran wish to settle all claims and disputes which are outstanding or capable of arising in connection with Cases Nos. B32, B74, and 12786 through 12892, and their subject matter;

THEREFORE, the United States and Iran agree as follows:

Article I

1. In consideration of full and final settlement of all disputes, differences, claims, counterclaims and matters directly or indirectly raised or capable of arising out of relationships, transactions, contracts and events related to the subject matter of Cases Nos. B32, B74, and 12786 through

12892, the sum of U.S. \$416,000 (Four Hundred Sixteen Thousand Dollars) ("the Settlement Amount") shall be paid to Iran.

2. The Settlement Amount shall be paid by means of a check to be delivered by the United States to the Agent of the Islamic Republic of Iran simultaneously with the submission of this Agreement to the Tribunal.

Article II

Upon the issuance by the Tribunal of the Award on Agreed Terms, the United States and Iran shall cause, without delay and with prejudice, all proceedings in relation to the claims, counterclaims and matters related to Cases Nos. B32, B74, and 12786 through 12892 in all courts, fora, or before any authority or administrative body to be dismissed, withdrawn and terminated, and shall be barred from instituting or continuing any such proceedings before the Tribunal or any other forum, authority or administrative body whatsoever, including but not limited to any court in the United States or Iran.

Article III

1. In consideration of the covenants, premises, and other agreements contained herein, upon the issuance by the Tribunal

of the Award on Agreed Terms, the United States and Iran shall release and forever discharge each other, their affiliates, agencies and instrumentalities, from any claims, rights, interests, and obligations, past, present or future, which have been raised, may in the future be raised, or could have been raised in connection with disputes, differences, claims, counterclaims and matters stated in, related to, arising from, or capable of arising from the subject matter of Cases Nos. B32, B74, and 12786 through 12892.

2. Should any claims be pending or filed by a third party in any court or forum against a party hereto based on any assignment or transfer of rights of any kind from one of the parties in relation to Cases Nos. B32, B74, and 12786 through 12892, the party who has effected or caused such assignment or transfer of rights shall be exclusively liable to such third party.

Article IV

Upon the issuance by the Tribunal of the Award on Agreed Terms, the releases, dismissals, waivers and withdrawals contained and referred to in this Settlement Agreement become self-executing.

Article V

It is agreed that this Settlement Agreement is made in a spirit of private settlement of disputes, that it shall be null and void if not approved by the Tribunal, and that it shall not affect any position of the parties in any matters other than Cases Nos. B32, B74, and 12786 through 12892. Particularly, nothing in this Agreement, including the releases and waivers set forth in Articles II and III hereinabove, shall constitute or be construed as a waiver of, or release from, or affect in any way any claims raised by Iran and/or Iranian Ministry of Defence in Claims 2 and 3 in Case No. B1 before the Tribunal for the principal amount and interest thereon pursued in said Claims for excess payments and short delivery of services in the Letters of Offer and Acceptance, including but not limited to the Letters of Offer and Acceptance Nos. DN-IR-TAR-8, IR-TAH-P4, DN-IR-TAL-6, IR-TAI-P5 and DN-IR-TAP-7. Iran, however, undertakes not to seek in Claim 6 of Case No. B1 or in any other claim consequential damages based on its claims for the excess payments and short delivery of services in the Letters of Offer and Acceptance in so far as they constitute the subject matter of Case No. B74.

The parties further agree that they shall not use, or cause any person to use, this Settlement Agreement in the prosecution or defense of any case before the Tribunal or any other forum, except that the parties may use this Agreement for the purpose of implementing its terms.

Article VI

Upon the issuance by the Tribunal of the Award on Agreed Terms, the parties shall waive any and all claims for costs (including attorneys' fees) arising out of or related to the arbitration, prosecution or defense of the claims and counterclaims asserted before the Tribunal, United States courts or elsewhere with respect to matters involved in Cases Nos. B32, B74, and 12786 through 12892.

Article VII

This Settlement Agreement is to be submitted to the Tribunal on or before *July*¹, 1991. If this Settlement Agreement is not submitted by such date, or within such additional time as the parties may agree, then it shall automatically become null and void and in that event the parties, without prejudicing their respective rights, will be placed in the same position as they were prior to the date of this Settlement Agreement.

Article VIII

For the purpose of construction and interpretation of this Settlement Agreement the entire Agreement shall be read and

construed as a whole without giving any specific effect to any article or articles separately.

Article IX

The representatives of the parties hereby expressly declare that they are duly empowered to sign this Settlement Agreement.

Article X

This Settlement Agreement has been written and signed in both the Persian and English languages and each text shall have the same and equal validity.
